

Will you help us Make Sunday Special?

Avonmouth Community Centre is working with local people to create "Avonmouth Make Sunday Special" - an outdoor event in Avonmouth Park, Avonmouth Road and the Community Centre. It will feature live music, dancing, stalls, activities, food, entertainers, sport, cycling and more... It will be a family-friendly, no alcohol event, and part of the high-profile Bristol MSS programme. It's going to be a great day that brings the whole community together and builds pride in living and working in Avonmouth.

This is going to be a BIG event, with maybe 2000 people attending. We will need lots of help on the day to make sure the event goes well. This is where you could make a valuable contribution to an amazing day! Could you...

- ◆ Volunteer a couple of hours to help steward, helping our visitors to have a fun and safe time?
- ◆ Get together with friends to run an activity?
- ◆ Help with setting up / breaking down the site?

There are lots of different roles that need filling. Even a couple of hours will make a big contribution, and will mean you get to meet lots of people, learn something about event management and have fun along the way!

When is it? **Sunday Sept. 13th**

Event is 11am to 4pm, but help is needed before and after.

How do I get involved?
