

Advice, offers and incentives for your staff travel

We can help to identify potential cost savings, reduce congestion and pollution and improve the working day for your staff.

WALKING • CYCLING • CAR SHARE • BUS • TRAIN

We can help you to... travelwest+

- identify cost savings
- reduce congestion and pollution
- improve staff experience, health and morale
- enhance your corporate social responsibility and green credentials.

Offers and incentives include:

Employer grants: Grant funding is available for projects like cycle storage, lockers, showers etc. Match funding is required by the employer.

Travel Survey: Help in creating a survey to collect useful data for analysing travel patterns in the area, and for tailoring effective travel solutions.

Supporting Services for employees: including bike mechanic sessions, cycle training, loan bikes and much more.

Travel roadshows: Face-to-face engagement events can be tailored to your needs and are a great tool for encouraging staff and signing employees up to existing or new on-site initiatives.

All of our help is tailored to your needs, is flexible and free.
